SUPPORTERS' CLUB NOTES

Good Evening Everyone,

May I take this opportunity of welcoming Officials, Players and Supporters of Bath City, and to our own Supporters 'thank you' for coming along.

These are the first notes I have written since we lost the F.A.Cup match at Weymouth. It was very disappointing and best forgotten. We must all strive to help this Club along the road to prosperity and after the win at Nuneaton last Saturday all of us must be very proud of the Team. Now it is with your support that the lads will be urged to greater achievements in the future. Give them a good cheer when they come onto the field tonight.

To all of those Supporters who travelled to Bath and to Weymouth on the Supporters' Coach I would like, on behalf of the Committee, to express appreciation for your help and behaviour. I think Peter Grinter was appreciated too, he kept the people on his coach happy to both the Bath and the Weymouth matches - he's a great programme seller.

To all of you, enjoy yourselves this evening and don't forget your hot soup on sale here tonight.

Yours in Sport,

K.R.LITTLE.
(Hon. Secretary)
